## LEXINGTON CONFERENCE

Remarkable Gathering of Colored People—Last Night's Proceedings Most Interesting of the Meeting

The following is today's program:

8:30 a. m.—Devotionals, Bishop Earl Cranston, D.D., L.L.D.

9 a. m.—Conference session.

2:30 p. m.—Board of Conference Claimants, Rev. S. G. Turner presiding.

7:30 p. m.—Lecture, Rev. E. L. Gilliam, D.D., presiding. This lecture will be delivered by Bishop Earl Cranston, D.D., L.L.D., Washington, D. C. Subject, "The Blind Public." There will be an admission fee of 25 cents each to help cover expenses of the Conference. This will be a rare treat to the good people of Maysville to hear a man of National fame lecture on so broad a subject as "The Blind Public." Bishop Cranston needs no introduction in the Ohio Valley, and you can't afford not to hear him.

Yesterday's session was devoted entirely to the reports of the five District Superintendents.

The Districts are Indiana, Lexington, Louisville, Maysville and Ohio, and the reports from three gave reasonable grounds for belief that there will be a gain of 500 in the membership. The financial reports showed that there had been no idleness on the part of any one, and it is thought an increase will be shown when Treasurer Gilliam gets all the reports in.

The Maysville District, presided over by Rev. G. W. Ziegler, showed a marked improvement in every department.

Rev. G. A. Sissle of Cleveland, O., preached the Conference sermon in the afternoon to a large audience, and it was pronounced one of the best of the many heard since the opening of Conference.

The Methodist Church has given for work among Colored Conferences men of the Negro race who represent the great Church interest. Last night the interest of the Epworth League was presented by Rev. I. G. Penn, and the cause of Foreign Missions was presented in one of the most interesting and illuminating addresses ever listened to by the Lexington Conference. The Rev. Dr. Lucas, who gave the address, has recently been appointed to this work. The offering was about \$20.

Prominent Conference visitors:  
The Rev. J. W. E. Bowman, D.D., Atlanta, Ga., President Gammon Theological Seminary.  
The Rev. R. E. Jones, D.D., New Orleans.

## AFTER FOUR YEARS OF MISERY

Cured by Lydia E. Pinkham's Vegetable Compound

Baltimore, Md.—"For four years my life was a misery to me. I suffered from irregularities, terrible dragging sensations, extreme nervousness, and that all gone feeling in my stomach. I had given up hope of ever being well when I began to take Lydia E. Pinkham's Vegetable Compound. Then I felt as though new life had been given me, and I am recommending it to all my friends."—Mrs. W. S. Ford, 2307 W. Franklin St., Baltimore, Md.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound. It has stood the test of years and to-day is more widely and successfully used than any other female remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, and nervous prostration, after all other means had failed.

If you are suffering from any of these ailments, don't give up hope until you have given Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice write to Mrs. Pinkham, Lynn, Mass., for it. She has guided thousands to health, free of charge.

## Don't Be Bald

Almost Any One May Secure a Splendid Growth of Hair

You can easily find out for yourself if your hair needs nourishment, if it is thinning, getting dry, harsh and brittle, or splitting at the ends. You simply have to pull a hair from the top of your head and closely examine its root. If the bulb is plump and rosy it is all right; if it is white and shrunken your hair is diseased and needs nourishment.

I have a remedy for hair troubles that cannot be surpassed. It has a record of growing hair and curing baldness in 93 out of 100 cases where used according to directions for a reasonable length of time. It will even grow hair on bald heads if the scalp is not glazed and shiny. That may seem like a strong statement—it is, and I mean it to be, and no one should doubt it until they have put my claims to an actual test.

I am so sure that Rexall "93" Hair Tonic will completely eradicate dandruff, prevent baldness, stimulate the scalp and hair roots, stop falling hair and grow new hair, that I personally give my positive guarantee to refund every penny paid me for Rexall "93" Hair Tonic in every instance where it does not do as I claim or fails to give entire satisfaction to the user.

Rexall "93" Hair Tonic is as pleasant to use as clear spring water. It is perfumed with a pleasant odor, and does not grease or gum the hair. I have it in two sizes, prices 50 cents and \$1. I urge you to try Rexall "93" Hair Tonic on my recommendation and with my guarantee back of it. You certainly take no risk. Remember, you can obtain Rexall Remedies in Maysville only at my store—The Rexall Store. Thos. J. Chenoweth.

Gage marks 13.5 and falling.

The packet Ohio, on her last trip to Pittsburgh, had 250 barrels of molasses.

The steamer Virginia of the Pittsburgh and Cincinnati Packet Line, which is stranded in a cornfield at Willow Grove, W. Va., has been blocked up, straightened out and her hull calked. Twenty carpenters have been put to work on her so as to have her completed by Saturday. A canal will be dug from her bow to the river, so that when a rise comes she can easily be launched. When the steamer was pushed into the cornfield the river marked forty-two feet at Willow Grove, but she can be launched in ten feet less water. Captain J. A. Henderson expects he will be able to get the Virginia into the stream some time this month, as there is generally a swell in April.

The Big Sandy river is becoming very low, so that it is with considerable difficulty that the steamers get to points very far up the stream.

SPRINGDALE.

Miss Mollie Elliott is teaching a spring school here.

Mrs. Frank Goodwin of Maysville is visiting relatives here.

Mr. and Mrs. Preston Martin "motored" to Flemingsburg Tuesday and were back in a few hours.

The Pleasant Hill Sunday-school gave a beautiful Easter program Sunday afternoon. A large and appreciative audience was present.

Mr. Will Kolb and Miss Anna D. Williams of East Limestone Sundayed at Maplewood, and Miss Williams gave a beautiful recitation at the Easter exercises.

"A stitch in time saves nine" is being expensively illustrated by our road officials. Springdale occupies a small space on the map of Mason county. It is barricaded on the East and West by high promontories that jut into the river, at the base of each of which pick and shovel have made a pathway for the C. and O. Railroad. This railroad and the river barricade us on the North. Our only independent outlet is the pike Southward up the Cabin creek valley. In one place this pike traverses a high bank that abruptly extends to the water's edge. For years the water has been "cutting under," until now there is a large cave that extends to immediately beneath the pike. On the opposite side of the creek bushes have grown and a gravel bar encroaches. The attention of the road officials have frequently been called to this "menace" by fore-thoughted ones, but to no avail. Last Friday the bank began to go down. It is sinking at the rate of a few inches each hour. The pike is cracked and travel is side-tracked through Mr. John Elliott's barnyard. At any time during the last five years less than \$100 would have prevented this—to our town—dire disaster. Today a thousand dollars cannot repair it.

On account of the heavy grade from Robb-town to Concord, the C. and O. is figuring on a new route between these two points. The Company is trying to secure the right of way through the farms near the river bank and if this can be done the new road will be built and the old roadbed donated for the use of a turnpike which is to be constructed from Concord to South Manchester.

#### HANDICAPPED.

This is the Case With Many Maysville People.

Too many Maysville citizens are handicapped with a bad back. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest, and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys and cure them permanently. Can you doubt Maysville evidence?

Mrs. Nathan A. Hafer, Maysville, Ky., says: "My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by kidney complaint, during which time I tried various remedies without obtaining benefit. There was a constant dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was also subject to nervous headaches and dizzy spells, and on arising in the morning I felt tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. Jas. Wood & Son's Drugstore. They cured me in a short time."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

MAYSVILLE, KY., FRIDAY, APRIL 1, 1910.

ONE COPY—ONE CENT.

LARRY.

Like off again, on again, gone again Finnegan. Larry is out again, Larry is in again; Bejabbers, acushla, begum and begorra. One moment he's sore and the next he is sorry; Resigns in a huff, and then "Griffith, be aisy." Till sure it's sufficient to drive the fans crazy; He swore by the saints he'd no longer touch liquor. But bless us, 'twas mostly the sooner the quicker When Larry succumbed to the charms of the amber. Climbed down from the wagon and Griff heard him clamber. Once more did the twenty-three number get busy; "You're out," shouted Griff, but he isn't, now, is he? And so it goes on till the rooters are dizzy; Now, Griff, if you don't want to send us insane, Do one thing or tither to Larry McLean.

—Ross Tenny, in Times-Star.

Wanted—Three girls at Model Laundry Company. Apply at once.

**YOU WON'T MIND IT A BIT** when your wife asks you to get a scuttle of coal, if it has come from our yard. For our coal is free from dust and dirt and also from those big unsightly lumps so often found in common coal. And our coal burns better and longer, too. Even one ton will be enough to convince you that our coal is different and better. Shall we send one to you?

## OUT ON BAIL

**William Puccini Now at the Home of His Father in Bracken**

Bracken Chronicle.

At Brooksville last Thursday, William Puccini, charged with outraging Miss Eleanor Moreland, near Milford, on the night of January 28th, was given an examining trial before County Judge Gibson, who held the accused to appear before the June term of the Grand Jury in the sum of \$4,000. Bail was furnished by Mayo Puccini, father, and Angelo Puccini, uncle of the accused, and the young man is now at the home of relatives in the Milford Precinct, where he will remain until his case is finally disposed of. At one time there was considerable feeling against young Puccini, principally among people living in Robertson county, where the father of the young lady, John Moreland, resides. We are informed that after the testimony on both sides had been heard that this feeling subsided to a great extent.

### BIG SNOW IN THE WEST

Out West, at least, March wound up its 31st day yesterday with one of the worst blizzards of the season.

The blizzard continues around Littleton, Castle Rock, Limon and Kimball, Colo., and the snow is said to lie six inches deep in the city of Denver. Railroad cuts are drifted to a height of five and six feet. Owing to loss of wires, railroads are without definite knowledge of some of the mountain and prairie trains. Rotary plows are at work in the cuts.

### THE HORROR OF THE YEAR

A shocking feature of the fire during a dance in a large barn in Oekoerito, Hungary, in which nearly 400 lives were lost, is that nearly all those who escaped were men and it is evident that they owe their lives to the exertion of superior physical strength. Women and girls and even infants were thrown aside and trampled upon in mad terror by the men.

Of the dead 128 were children between 1 and 9 years of age. Practically all the young women of the village perished.

The surviving young men are quoted as saying that as no marriageable girls are left, they will emigrate to America.

## THEY MAKE YOU BELIEVE

### Because They Prove All They Claim

There is no room for doubt when so many people of good standing are anxious to tell their friends of the great good received from the use of Root Juice. At this point many have been cured, or greatly benefited, of rheumatism, catarrh, indigestion, female weakness or some liver, kidney or stomach trouble. No wonder one friend is often heard advising another to try Root Juice. If you bloat and belch, if food lays heavily on the stomach and pains, if what you eat does not give you strength, if you have swimming of the head, if you are nervous and your entire system is run down, if you are restless at night and feel as tired in the morning as you did when you went to bed, be governed by the experience of others and go to the drugstore, get a bottle of Root Juice and take it exactly according to directions. We predict that before you have used one bottle you will be advising your sick friends to get some of this wonderful medicine, for Root Juice always proves all that is claimed for it. One dollar a bottle or three bottles for two dollars and a half at J. Jas. Wood & Son's Drugstore.

## SAVED LIFE OF OMAHA THEATRICAL MAN

Adam Bonoff, manager of the Krug Theater in Omaha, Neb., and living at 1511 North Seventeenth street, that city, in a statement given for publication, says:

"I have been a sufferer from stomach

trouble for the past ten years, and had to avoid pastry, potatoes and all starchy food. I was nervous and restless, rarely ever getting a good night's sleep. I always awoke with a dull pain in my stomach, and belched gas frequently. I was constipated all the time.

"I traveled considerably in search of health, and treated with the best physicians in New York, Chicago and Hot Springs without relief, and finally was compelled to give up my business, as I thought, for good.

"A friend recommended Cooper's New Discovery to me. I was desperate, and decided to give it a trial. Am now feeling fine, eating and sleeping well, without any signs of stomach trouble, weighing more than at any other period of my life, having gained fifteen pounds in a few weeks' time. It is a duty with me to recommend Cooper's New Discovery, for I believe it saved my life."

I sell Cooper's New Discovery, the medicine recommended by Mr. Bonoff. It has a remarkable record, and has a tremendous sale throughout the country. I will take pleasure in explaining its nature to you. Thos. J. Chenoweth.
